Note from Edgebrook

On behalf of all of us here at Edgebrook, we'd like to thank you for another great summer down here at the course! With a new change in Management we wanted to do everything we could to get people more involved down here at the course. We still have improvements and adjustments to make, but we are pleased with the direction we are heading and we hope to have you all along for the ride. We are very thankful for everyone who came on in for a round of golf, came in for any events, or to just have a drink and relax! We hope you'll check out everything we have going on for the Fall & Winter seasons!

Sincerely,

Andrew Stone - General Manager/Superintendent

Pete Pavia - Assistant General Manager/Event Coordinator
